Hi Robert,

I've gotten the advisory from you and Liz. Liz said there will be a readout and recording available after the briefing?

Thanks much,
Valerie

Hey Steve,

Pleasure to speak to you as well. I'll forward your questions to the folks out West and make sure you're on our Gold King Mine distribution list.

Valerie, since you're CC'ed in, would you confirm you've received the advisory also?

Thanks, R.

Robert,

Pleasure making your acquaintance and thanks again for getting back to me so soon. So my main question is whether there will be any telephone call-in access for today's visit to Durango by Administrator McCarthy? If there is, would you please furnish me and our EPA correspondent in Washington, Valerie Volcovici, cc'd above, the phone number and passcode we'd need.

Also, please include the two of us, as well as the group email address, GeneralNews.West@thomsonreuters.com on any distribution list for further information, statements, updates etc from the Gold King Mine waste release.

Thanks again for your kind attention.

Steve Gorman
